#NOHOMO

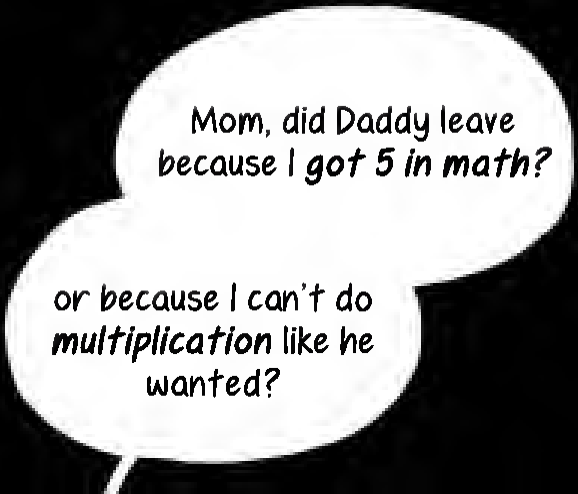
(Even with this title)

Through no fault of author's own there's a possibility some people will get offended by it.

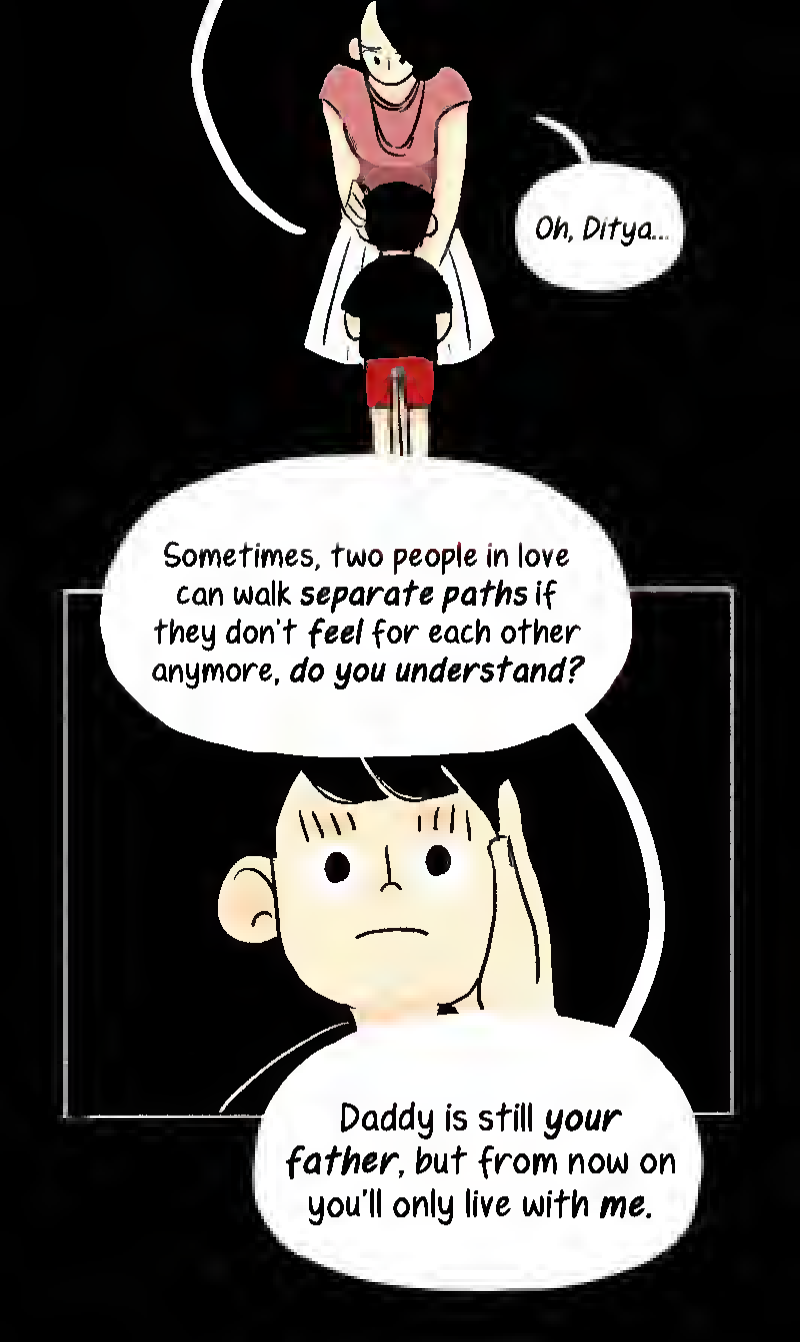
If you might get offended by our story we won't stop you from leaving. The "close tab" button's right over there.

However if you're cool with that then let's proceed to the story!

Read it at your own risk!
You have been warned!



Mom, did Daddy leave because I got 5 in math?
or because I can't do multiplication like he wanted?



Oh, Ditya...
Sometimes, two people in love can walk separate paths if they don't feel for each other anymore, do you understand?
Daddy is still your father, but from now on you'll only live with me.

You still have to study hard, okay?
And don't ever think that Daddy left because of you.

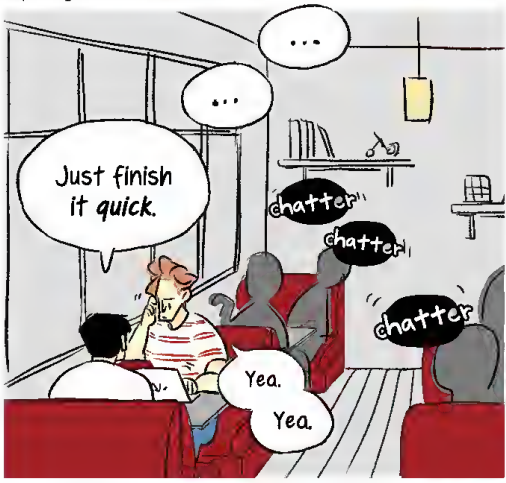
Brian, don't tell me it's Saturday night...
No, it isn't.

TL/N. Saturday night is a usual time for couples to go on dates in Indonesia



By the way, do you feel there's a weird atmosphere around this cafe?
Yeah, they offered me some kind of discount too at the front door.
What discount?
Don't know. I just answered them half-heartedly.
...
I have a BAD FEELING about this.
Yeah... I'll rush it and we'll go home.
